The Tri-Weekly, printed Monday, Wednesday and Friday, is a handsome, spirited and condensed every-other-day daily newspaper, easily the best publication of its class in the United States. It has all the special features of the Weekly and the important news of the Daily, and is printed and mailed at the same time as the Daily. BY ELEVATING THE QUALITY of our coal we lower the price in economy of consumption. Consumers will find that it is cheaper to use our high grade Lee Coal, that has been screened and freed from slate and stone, than that of an inferior grade. It gives more heat, less sakes and burns longer than any other coal, and our prices are as low as any. Coal and Wood under cover.
